SPECIAL APPARITION OF THE VIRGIN MARY, IN THE CITY OF ORLANDO, FLORIDA, UNITED STATES, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Today, My first thanks, dear children, goes to My children of the planetary Light-Network, who, united with My Immaculate Heart, throughout these two months, have supported this stream of love and planetary purification, because you have accompanied Me, step by step, through each nation that I have visited.

My second thanks, dear children, which I bring to you from Heaven, goes to all the praying souls that helped, from different parts of the world, with love, effort and dedication, so that this mission could be accomplished.

I have come here, to Orlando, to be able to rescue souls submerged in the illusion of material life, to cleanse the eyes of all those who sleep with the blessed water of My Son, so that they may be able to see the Light of the Kingdom of God and, in their lives, build a true temple of consecration to the Father, a temple where My beloved Son may be present to be able to radiate His Codes of Light and Redemption to the world.

Today, I appear to you, dear children, to confirm My Presence in humanity for an undetermined time, to unite with each heart, with each child of Mine who accompanies this sacred mission, which goes beyond the mental human consciousness and superficial life.

In this way, I come to bring you, dear children, I come to show each one of you the Scales of Light of God's Justice, which today is lovingly balanced, especially for the United States, in correlation with the neediest nations.

I have brought these Scales of Light from the Kingdom of the Father, for they have been at the feet of the Creator, being worked upon throughout these last two months, first for the Nations of Central America, then for Mexico, and, lastly, here in the United States. These are the scales that the Mother of God transports and carries, the scales that intercede for each child that they carry within and within all its energy, the Consciousness of the Divine Mother.

It is this energy of intercession, this energy of Grace, that comes to help the world. And it is with the help and through the help of the Archangels that this Grace is possible for the world.

It is for this reason that today I show Myself to you, dear children, kneeling before humanity, showing the power of My Immaculate Heart to ask God for an opportunity for each child of the Earth.

In this sense, dear children, I want you to be able to continue accompanying Me in this planetary Work, with the ardent aspiration that you will be able to continue helping Me, dear children, so that

Our Sacred Hearts may be able to reach many more places of the world, where the Mercy of the Father and Grace are also needed.

Thus, today My Heart emits this deep and eternal gratitude to all who truly made this pilgrimage possible. In this way, to each of My children, I want to transmit My maternal confidence, which is what has made it possible for all these things to happen, at this time.

My wish, dear children, is that the seeds I have sown in Central America, Mexico and the United States may be able to truly sprout in this end time so that your souls may be at the service of the Eternal Father for all the souls that will need help to experience the transition of these times.

Thus I come to leave new Codes of Light within you, through the seeds of Light that I have sown. These are the same Codes I have left in the nations that I have visited. They are the same ones that I bring you today, dear children, as the greatest Grace for your hearts and lives so that you may be prepared and ready to be able to wait for My Son with gladness and rejoicing, building within yourselves an inner fortitude capable of receiving all the spiritual impulses from Heaven.

In this way, dear children, I want you to be able to hear the voice of My Heart. The voice that comes from God, with immense gladness and rejoicing, because this whole previous stage happened according to Supreme Will and granted the simplest hearts an opportunity for healing their inner lives, of being able to be reinserted upon the evolutionary path and to be able to be a part of the Celestial Brotherhood so that more suns may be available, shining on the planet, bringing the Love and the Grace of God.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

With these words, children, I teach you how simple in truth it is to transform the destiny of this planet and also of each one of your lives.

With the example of these months, I teach you how, with the effort of each one and unity among the servers of the Plan, the Will of God can be accomplished and expanded more each day in those children of His who had once forgotten the commitment they have made with Christ.

From these months onward, new lights will shine on Earth; new consciousnesses have awakened and will continue to awaken, because My Light will expand beyond the continents, uniting the borders and nations with My Immaculate Heart, and the Heart of My Son.

I would like to tell you, My children, that My Divine Work does not end here, but rather begins here for those who did not know Me, who did not respond to My call. I call you to prayer, I call you to express your own soul, unity with God, without fearing the judgment of this world. I call you, beloved children, to transform into true lights that will guide those who live in the darkness when they can no longer find a way out in this world.

I call upon you to become an example for souls who are lost, thus expanding My Mantle in those places that I cannot reach, because souls have not opened their hearts to Me.

I want you to announce My call in the four corners of the world; and that all tongues and all races be able to know the possibility of finding the Kingdom of the Heavens within their own hearts through this bridge that I have built within My children, so that, wherever you are, you can find Me.

I want you to know, My children, that in your hearts I have built a perfect union with Me. That union must be strengthened every day through true prayer, through a supplication of souls that yield to God, that recognize their own smallness and the celestial greatness so that, in this way, you can be part of Divine Unity.

I come to this country, children, to transform your way of life, within your consciousnesses and in the consciousness of this nation, because you are lost through goals that do not move toward Celestial Will. I come so that you may find a true reason for your lives; that you may discover, in the Love I give you, the strength to transcend the obstacles, transcend the lack of understanding of your brothers and sisters for having chosen an evolutionary path.

On this evening, My children, I ask that you place at My feet that which causes you pain, anguish and fear because I wish to see you in profound gladness and gratitude, as My Immaculate Heart is for having concretized My Plan, this divine mission that God entrusted to Me.

At My feet, like roses of light, place all suffering there. I wish to turn your pain into a sweet surrender to God, just as My Son did when He was on the Cross.

In this way, I tell you that when We allow you to go through some test or some type of suffering, We are not punishing you, children. The Creator only offers you the opportunity to give Him a true surrender, of following the example of Christ for those who do not want to suffer anything, and who only seek the pleasures of this world.

Offer your own difficulties, as reparation for the Heart of the One who experienced the greatest suffering of this world so that today you could know celestial joy.

Today, children, to the Heavens I lift up your prayers, the deepest cry of your hearts, and I ask that into My hands you place those petitions that you wish to make of God, because I will lift them up to Heaven so that, as from today on, your lives may no longer be the same, and you may walk renewed by Me and by the Grace of My Son so that, beginning with you, a greater time of peace may be established in this world and, above all, in this nation.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Beloved children, children of My Immaculate Heart, to end this, I want to tell you, with this eternal gratitude I have for each prayer spoken, for each song intoned, for each collaboration carried out, for each sacrifice offered to God, for each detail you have offered to My Heart, that, as from today onward, I will prepare you for a great task, the most important one of the end of the times, which will be carried out in May in Europe, where the Kingdom of Lys-Fatima, on the anniversary of My Apparitions, will carry out its expansion of consciousness at a universal level. Your hearts are called to be present and to prepare, as from these days on, for this event.

I announce this because I know that it is important for humanity. For many still do not know what Fatima is, what it was, what it is and what it will be as from that event on, in which many sleeping

essences will be benefited.

Thus, I want to finalize this meeting, changing the suffering of humanity with My Graces, through the blessing of the Children of Mary who are being consecrated to My Immaculate Heart today as a perfect offering of union with the Celestial Father and to His Divine Will.

For today's consecration, I want you to sing something special for Me. Something that has rescued the essence and purity of the North American original peoples. This singing will bless the Children of Mary as a Grace.

Come here, to My feet, so that I may bless you and give you My maternal Love.

Song: "Amazing Grace" in Cherokee.

Remain united with Me, because I am still present, working with the consciousness of the United States so that, up to the last moments of My Presence, it may receive the Grace of God.

Today, I am in the presence of very different hearts, gentle hearts that please My Heart. This is why I invite you, dear children, in this blessing, to confirm your souls to healing, reconciliation and the forgiveness that My Heart brings you, through the intercession of My beloved Son, Jesus.

I do not want you to weep any longer, but rather that you open your hearts to the Mercy of God that I bring from Heaven. Receive My Light with humility and simplicity. This Light of My Heart, that comes from the Fount of God to nurture the consciousness, to illumine the soul, to glorify the spirit.

With this Grace I bring you, dear children, I bless you, by the authority that God granted Me as Mother of humanity and of all creatures, and I give you the forgiveness of the Cherokee consciousness and of all the tribes that were decimated by the white man. Just like in Mexico, I establish an inner reconciliation among the races so that they may live in the Love of God, once and for all.

I bless you, in the name of the Father, the Son and the Holy Spirit.

I thank you for having accompanied Me on this sacred mission. Let your voice and your song pronounce peace for the world.

So be it.
