Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

With the Light of the Mirrors, the Mother of God creates a powerful vortex of energy that allows for averting the evil that wants to instigate Her children, and, in this way, humanity manages to keep itself within the Plan.

With the Light of the Mirrors, souls receive many impulses so they may take their steps toward a full and absolute consecration.

With the Light of the Mirrors, the deepest and darkest spaces of the Earth are removed, and many uncertain doors are closed overnight.

It is the Light of the Mirrors that allows this planet and this humanity to attract the opportunity of elevation.

With the Light of the Mirrors, consciousnesses have the basis for elevating their spirits towards God.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
