Daily Message of the Virgin Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón de Jesús

Dear children,

In the times of great inner purifications, may peace reign.

May this peace, which emanates from My Immaculate Heart to the whole world, make you similar to My Consciousness; so that, in these difficult times humanity is facing, the Mercy of God may be established in hearts.

The time has come for the deepest aspects of the consciousness to be revealed and be lived through much compassion, for in this way, you will make your purification a light path for all, and nobody will suffer too much for that which they have still to redeem.

May your horizon not become clouded nor darkness emerge. My Son comes to meet you so you may walk at His side, barefoot and divested of the old human being, so that on your inner paths, lessons of light and of love may manifest.

Do not stop. Make this moment a true and victorious triumph for Our Lord. Forward!

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
