**APPARITION OF THE VIRGIN MARY IN THE CITY OF LOURDES, FRANCE, TO THE VISIONARIES
FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS**

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, before being here with you, I was in the Grotto of Massabielle, healing My sick children through miracles of Love, miracles of Mercy, miracles that come from the Compassion of God.

These holy miracles, of which I am speaking today, are miracles of the Holy Spirit that work with essences, that go deep into souls which come with open hearts to seek the spiritual healing they so need.

After a long time, dear children, I finally return to My house in Lourdes, to bring France new opportunities coming from the Universe of God and which today I pour out for the world through My hands of Love.

Just as you have accompanied Me in these last two months, dear children, I would like your hearts to continue to accompany Me on this sacred mission, which will not only allow you to experience transmutation by an unconditional and infinite Love, but will also open the doors so that many, many of My children, who today are lost, forgotten and sick of spirit, will be able to receive from their Heavenly Mother a Source of healing and salvation to generate, in hearts, the redemption so expected by Christ.

Today I also come here, to Lourdes, to be able to purify and wash you in that sacred Fount that I have opened here so that souls would come to drink of the Source of Graces, which is so essential for the world. And although the world continues with its errors and tests, your Heavenly Mother, the Mother of the Universe, does not stop coming to the world to bring Peace, Mercy and Redemption to hearts.

Today I have also come here, dear children, to complete this pilgrimage. God has asked Me to gather your hearts in this place, so that you not only receive the healing you need, but also to renew your vows to Christ, because of preparing for His expected Return to the world.

Throughout these last months, the Sacred Hearts of Jesus, Mary and Saint Joseph have been able to work extensively in this part of the world.

In truth I tell you that Europe was moved away from a great tragedy, for through the pillars of prayer that have been formed in Europe and through the pilgrims who follow the voice of their Heavenly Mother, a greater tragedy taking place has been avoided.

With this I want to tell you, dear children, that just as it was in North America, once again, your Heavenly Mother makes Her Immaculate Heart triumph, being able to close the hellish doors that were swallowing many souls in the abysses.

Thus, dear children, I invite you to become aware of the true spiritual events that the Celestial Father manifests through the voice of the Divine Messengers and all those who correspond again and again to the call of the Universal Mother.

Today we are in a day of rejoicing. Today the Heart of your Celestial Mother is alleviated, because Her children have responded to Her call once again.

As from today, dear children, and in the coming months, We will prepare your souls, your apostolic and missionary souls for the Africa mission, for the pilgrimage for peace on the African continent.

You have asked yourselves, dear children, why your Heavenly Mother, the Sacred Heart of Jesus and the Heart of Saint Joseph have begun with Europe and not Africa. We have come here to gestate a beginning of redemption in your hearts which is unknown to the majority of humanity, to thus be able to gestate the so necessary healing in all Europeans, and healing, forgiveness and reconciliation might finally take place between the different peoples and races of the world.

Today, I come here as the Immaculate Conception to bring continuity to My Work, not only in the world, but also through this Marian Sanctuary that gives welcome to human misery, spiritual and corporeal misery, damnation of souls and all kinds of human suffering. It is possible to change, transmute and transfigure all this through the Love of My Immaculate Heart, which is alive in the hearts of My children that, from time to time, follow in the footsteps of their Celestial Mother.

In this way, on this last day of the pilgrimage, I bring you a renewal of your spirits and consciousnesses through the blessing of the Holy Spirit and of each one of Its Gifts, which will inspire you to follow the path of apostleship and the mission that God has lovingly entrusted to you through My Immaculate Heart, the Sacred Heart of Jesus and the Most Chaste Heart of Saint Joseph.

Today, Jesus and Saint Joseph are here with Me in divinity. They are following this moment, in which souls enter into communion with your Heavenly Mother to renew the sacrament of your faith and your trust in God.

I do not promise you, dear children, a garden of roses in this world. I offer you sacrifice, prayer and surrender as a means for being able to heal humanity; just as I asked it of Saint Bernadette, who in trust and love, followed My steps until she finally understood that My coming to Lourdes also had a global purpose, throughout the centuries and human generations.

After many years, many centuries, your Heavenly Mother returns to Lourdes to re-open a new time, at the same time that a pilgrimage ends and all are participants in this event. The faith of your hearts and lives in the Divine Messengers, dear children, is allowing extremely serious things to be avoided in humanity.

Now, the task of your Celestial Mother is no longer in the Marian Centers, which are points of light and love, but rather, the task of your Celestial Mother is with the world and humanity, for I wish that all peoples, all nations and all races to understand that I am the same Mother, throughout time, of all hearts and all creatures.

I am the Universal Mother who, on this afternoon of celebration, of deep rejoicing, stretches out Her universal Mantle to take in all human and planetary needs, dear children, in order that many more souls achieve the Love of Christ and in their depths, feel the truth of the heart.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

In this way, I will ask you to multiply the Graces that I give you today and testify to the world, especially to Europe, that God is present in the heart of each of His children.

Today, My children, I come to renew the Sacrament of faith in each of you, so that faith does not die in the heart of Europe.

Today, in My Heart, in the silence of My divine prayers, besides Lourdes, I free France from the suffering which for a long time has made souls become lost and not find God.

I come, My children, to free humanity from the errors which were made by hearts that denied God, denied their filiation with the Father.

Today, children, through your hearts and the gifts which the Spirit of God places in your lives, I hope that you will be faithful testimonials to the Presence of God and His Messengers in this world. Lose your fear, children, in the name of all of humanity, of testifying to the Divine Word, of living it and of disseminating it each day, so that even the most lost soul is able to find your Celestial Mother.

I am here for all. Each being that lives on this Earth, as well as each Kingdom of Nature, is a child of Mine, whom I love and try to protect every day with My prayers. My Rosary, children, never ceases to move through My hands. I pray day and night for humanity, and I hope you will accompany Me in this constant prayer, which speaks to the urgency in this world, that humanity awakens so that peace may live in humankind.

Children, establish My Grace in your lives through a living example of compassion and fellowship. Let the healing I bring you be expressed in your hearts so that, in this way, God is able to speak through your mouths; God is able to express in your actions and can reach His children through each one of you.

I come to heal Europe from a painful past, a past of many errors that must now be changed in the Presence of your Divine Mother.

Today, the waters of Lourdes extend beyond the grotto that I opened here. Today, I bring a Divine Water that washes and purifies you beyond the borders between nations, reaching all My children, all those who listen to Me. And through this healing, My children, your hearts are able to carry it to those nations that have great need of it and who were not able to be in the Presence of your Divine Mother because they did not open their hearts.

Announce My universal Peace to the world, announce the Return of My Son, disseminate all the signs that will appear in the skies, so that souls are not afraid, but rather, rejoice, because the moment has come for being face to face with the Redeemer of the world. Prepare your hearts and do not fear; simply grow each day in virtue and spirit, allowing those gifts that I give you today to grow in your hearts.

Just as I was with the apostles, today I am with you, renewing the Divine Presence in your lives. Go, My children, two by two through this world that is so in need of peace, and carry the Presence of God to those that most need it.

Serve, pray and disseminate peace to hearts, because you heard the call of the Universal Mother, of the Mother of the World and, with Her, you will prepare the descent of the stars, the emerging of a New Earth, which will heal the past and will build a new world on this so wounded planet in need of healing.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

In spite of the errors of the world, of the crucial times we experience, today My Immaculate Heart, your Lady, Mother and Queen of Peace, the Immaculate Conception, the Lady of the Most Holy Rosary, removes a star from Her Crown, placing it in your hearts, after these months of pilgrimage, as a symbol that the Sacred Plan of God is being accomplished in humanity. And although humanity must be purified, remember this symbol of the luminous star from My Crown, which remains in your hearts as a symbol of the concretization of a sacred mission in these end times.

Remember also, dear children, that the Pyrenees have been the route of your Celestial Mother with the holy women and Joseph of Arimathea, carrying the Holy Grail of the Lord.

In each place where I have appeared, throughout the times, My Divine energy and My Motherhood was deposited there through of My Presence. Thus, I return to those places in various parts of the world so that humanity may become aware of the Sacred Sites that God expresses in His invisible and peaceful Heart.

The Pyrenees are the cradle of a Sacred Site, of a Celestial Kingdom of your Most Holy Mother and all Her angels. For this reason, today I come here to be able to begin a new stage with you.

I send My thanks, gifting the Love of My Heart to all those who made this sacred mission possible which was so risky, but at the same time, was triumphant.

I wish and I hope that, in a coming stage, all My children will accompany Me to Africa, for there, a healing of wounded hearts must take place.

I ask you, dear children, that as from this day, you pray for the intentions of your Celestial Mother, for it has been shown that through your prayers, the sacred mission in South America, in Central America, in North America, in Europe has been accomplished, and soon in Africa and Asia.

I wish to reach all hearts. Hearts call out to Me and your Mother responds to the cry of Her children of all nations and all cultures.

On this afternoon, in which My rejoicing is infinite, I come to bless the new Children of Mary who will represent many more in the world.

I ask that you stand so that I may bless you.

Friar Elías del Sagrado Corazón de Jesús:

Our Lady is saying that She will speak a prayer to consecrate you, and to consecrate all of us, all Her children, renewing our vows to God and to Christ, to higher and supreme life.

And at the same time, this blessing which Mary will give us, at this Source of Graces of Lourdes, will be a thanksgiving from Her Immaculate Heart to all the children of the world who, in these months, made this pilgrimage for peace in Europe possible.

Mary gives thanks as well, on this afternoon, to the children of South America, of Central America and of North America, who have prayed for all of us so that all this could be possible.

At this moment, Mary is infinitely thanking all our brothers and sisters of the Grace Mercy Order, the residents of the Light-Communities, the groups of the Light-Network who are the Hands and the Feet of Christ in this planetary Work.

At this moment, we are going to hear the prayer of blessing of our Celestial Mother.

We place our hands in the sign of reception.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

"Most Holy Father of the Universe,

Who opens the portals of Grace
for a lost humanity separated from Your infinite Love,
through this example, see the concordance of Your children,
of the apostles of Christ,
the unconditional servers of My Immaculate Heart,
the companions of the Most Chaste Saint Joseph.

Receive into Your Kingdom, in this moment of rejoicing,
the prayer of their Guardian Angels
and of all the adorers of the Eucharistic Body of Christ.
Serve Yourself through them, Lord,
that Your Work in all of humanity be realized.
I ask You, Lord, to hear the voice of Your Most Holy Servant.

That through My Heart You pour out
the Source of Your Grace and Your Mercy,
so that many more, many more of Your creatures
hear Your Sacred Call and humanity be rehabilitated,
following the path of redemption until My beloved Son returns
with the radiance of His Glory among the clouds,
the skies, the stars, the suns and the whole universe.

May all receive, in this time, His second Coming
with rejoicing in salvation and healing for the souls of this humanity.
May Your Plan on this Earth be accomplished
and many more souls open to recognize Your Word,
Your Message of love, of faith and of reconciliation
through the Divine Messengers.

Now observe, beloved Father,
the flames of Light I have ignited in hearts
that have listened to all My Words
and have made Them alive in this end time."

I ask the angels of the universe to bless this moment, this consecration and this occasion for renewal with the Mercy of the Father, the Son and the Holy Spirit.

I thank you for responding to My call.

Do not forget to drink water from the Fount of Massabielle.

Friar Elías del Sagrado Corazón de Jesús:

Now Mary has ignited Her Crown of twelve stars and is rising up together with Her angels.

The Divine Mother is signing a commitment with humanity and the Creator in a Book.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

This book, dear children, represents the confirmation of your hearts to My Plan of Love and also the commitment to respond to the preparations of the awaited Return of Christ, that is not far from happening.

Now, I listen to your voices. I want you to sing again for France: "Unite with the Heart of Mary."

I have liked the efforts with your French very much; this opens the Heart of God and the doors to infinity.

Let us thank God for having granted this pilgrimage and because hearts have been self-summoned, in their different nations and peoples, to this sacred mission.

Thank You, Lord, for all that You give us!

In the name of the Father, the Son and the Holy Spirit. Amen.
