Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

Dear children,

In these times, the Spirit of Peace will lead you into concretizing things that once seemed impossible. For this reason, your alliance with the Eternal Father, worked on daily, builds this bridge that is capable of bringing the principles of healing from the universe.

The Holy Spirit of Peace acts on all planes of consciousness and brings understanding at the moment of making important decisions.

It will be this Holy Spirit of Peace, which comes to you time and again, that will nourish your presence with precious gifts that will build a new consciousness and a new being.

In this way, the Holy Spirit of Peace will fill you and allow you to understand universal mysteries that are far from those who are ambitious and proud.

It is this Holy Spirit of Peace that will bring you a sacred humility to live in daily resignation and in absolute surrender under the governance of Our Lord Jesus Christ.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
