DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Child,

Who persists in his faith will never break down because they will have built inside of themselves a true alliance with God.

May this inner faith be renewed and expanded time and again, because this will help the planetary consciousness have spiritual resources capable of sustaining the Earth.

Child, may this faith be unalterable, lasting and invincible.

May the faith of the heart build within you this constant affirmation to live God's Plan and to be part of His Kingdom.

May this faith establish principles of unity, love and compassion between beings so that the awakening to true spiritual life may exist in all human consciousnesses.

Merge your consciousness into the essence of faith, and everything will be renewed.

Assume each new time and each test under the renewing impulse of faith so that each learning is experienced as an opportunity of loving, more each day.

May this faith build within you the path towards inner redemption.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
