DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FLORIANOPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today I receive all of your prayers in My Maternal Kingdom and there they are more than hundreds of flowered gardens.

This is the work of the souls that love prayer and, through persevering prayer, transforms its life.

This is the work of the soul that, living in prayer, are living prayer; of the souls that cry out, sincerely cries out and pleads for others, beyond themselves or their experience of life.

This is the work and manifestation of the planetary prayer, the one that dissolves from the consciousness of human beings any state of evil and destruction.

Today I receive, from My children, the prayers of the heart, prayers that sustain life, prayers that feed and heal the spirit of all your lived experiences; prayers that renew the soul and that attract to the planet the essence of My Peace.

All is the work of love and can be sowed in the consciousness that understands that only love is what will attract toward the souls the grace of being in God and of being filled by his spirit.

I thank you for this gesture of prayerful love that you offered to your Heavenly Mother today.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
