APPARITION OF MARY, ROSE OF PEACE, IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I am the Confederate Mother and Missionary. I am the Lady of the Thirty-Three.

Today I come to your encounter to announce to this people My most special request: that one day the Will of God may be fulfilled in all of this nation and in all those who represent it in the world, who someday I hope will be ambassadors of peace.

Uruguay has an important mission that it cannot omit and it is the responsibility of all My children, especially the leaders of this nation, that this purpose be fulfilled.

As We know, My children, this purpose has been altered by the hand of humankind. But I will not rest, because little by little and silently, your Heavenly Mother and Lady of the Thirty-Three will consecrate this nation to Her spiritual and divine purpose.

The Southern Cone was chosen for a great mission, and a great part of it corresponds to Uruguay. It is not by chance, dear children, that Aurora is kept here and from here it reveals its mysteries.

I need you to understand, My children, how important this Purpose is for God in this time. This is why I am your Confederate Mother and Missionary, because in Uruguay confraternity must be achieved, and this confraternity will free you from all the errors committed and all the debts caused in this country and in this people.

I come here to bring you a renewing message, a new Principle that must be gestated in the human consciousness of Uruguayans. This will allow you to deeply understand the Will of God. And as your steps are taken towards the Purpose, the country will be more aware of what it must heal, of what it must redeem, where it must do penance, and above all, what it has to mend before Our Creator.

Since the purpose of Uruguay was altered, there is still time, dear children, through your consecration to the Lady of the Thirty-Three; there is a definitive opportunity that may lead all your people to a great awakening and a great redemption.

I wish, as the Lady of this people, to remove it from its deep slumber, from its profound illusion and indifference. Truly I tell you, dear children, it will depend on the efforts of a very few for the great mission to be fulfilled in this country.

Do not cease to gestate in this people the groups of prayer, the true groups of prayer that your Heavenly Mother needs for this time. May your commitment not be lukewarm, but real, determined and firm, so that I may entrust you with new designs, which the Father has dictated to My Heart. This will turn Uruguay into a country which is truthful and aware of its responsibilities and commitments, above all, seeking spiritual equality and understanding among the religions.

When I say that the groups of prayer must be true, it is because the commitment must be firmer and truer rather than casual. This will make Uruguay a true Mirror of Light, which can reflect what God highly hopes to pour over this country.

This very Principle of which I am speaking to you today, dear children, is the same design and the same Purpose for other nations of the world, that also must redeem their errors and open the doors to Sacred Divine Knowledge, which will not come from the mind of humankind, but rather from pure hearts, that through prayer and through communion with Christ, will receive from Heaven the impulses of Light that will make this land free, finally free.

I want to remove the permanent spiritual slavery from the consciousness of Uruguayans, a state of consciousness in which it finds itself, that is almost imperceptible, that hypnotizes it, that makes it inert and that does not allow it to take real steps towards the Light.

Until the Aurora of My Heart is recognized, the people will remain in their errors and their transmutation will happen through the sacrifice of a very few.

What I need, My children, is that through the opening of new groups of prayer in Uruguay, a new consciousness may be gestated in the hearts of My children, so that more consciousnesses in this country may definitely recognize the Will of God, and turn this people back into the true people that it was in its origins, from the indigenous consciousness to the first settlers, who lived the Will of God and the dedication to the Lady of the Thirty-Three.

If I was the Patroness who made your people independent, what could I do now, dear children, if the hearts of the Uruguayans would welcome me into their homes and into their families and would live with devotion and with great faith the consecration to the Lady of the Thirty-Three, the Holy Face that will lead them to understand My Presence in Aurora?

There are many missionaries here who are asleep. This is why I am the Confederate Missionary who comes to awaken those who are in slumber, those who have not yet found the path of Light and Truth.

God has given this Face of the Lady of the Thirty-Three to this people because of its great and important mission for the end of these times; just as the Father has also revealed other Faces of My Heart to other peoples, which are what they need to live their spiritual mission as nations and as peoples. Truly I tell you, everything has a spiritual meaning.

The Lady of the Thirty-Three wants to see fulfilled the promises that I dictated to you a few years ago, and also that you fulfill the requests that I dictated to you some time ago. I am still waiting for this.

When these requests are met, with all the effort of the heart and of life, Uruguay will have new opportunities for waking up to everything it has done, to the acts committed that have interfered in the evolution of this part of humanity.

Until this happens, the sleep will still be very deep and it will be difficult for this people to wake up from its inertia. Therefore, among the few that I have called, I will perform great works, just as Jesus called the apostles to make His Gospel known to the whole world, with very few.

I need, dear children, for you not to worry about everything I tell you today. I am the Lady of the Thirty-Three and if I am here today, it is for a mission and an aim.

Live the times of maturing as God needs you to and you will be able to definitively step aside from tepidness. Your hearts will be firm and you will be able to go through the doors that the Lady of the Thirty-Three will open, as a last resort for Uruguay.

Thus, My Work will be strengthened in the whole world before it is so in Uruguay. Because in truth I tell you, dear children, that a large part of the Uruguayans will realize too late all that they have lost.

I need you to be My ambassadors of peace in every corner of this country and to unite under one purpose, in one same attunement, making the necessary efforts to have My Immaculate Heart triumph in Uruguay.

I still hope to continue to be the Patroness of your country because I do not expect, dear children, even though many may think so, to be replaced by other idols that the country itself has conceived as real, as part of its unreal freedom.

I look at this country with Eyes of Mercy, because God has sent me from the Universe to descend onto these lands, in this distant place, where apparently nothing happens and no one hears My Voice. But in reality, it is the exact opposite. The Lady of the Thirty-Three, Confederate Lady and Mother, works silently so that the hearts of this country may be raptured by the Love of My Heart, by the Grace of My Spirit, by the Holiness of My Soul.

Uruguay must be rebuilt many times until the consciousnesses define their path.

Nobody will be free from the Universal Judgment. We know that this time is coming and that the hour is approaching. Do prayer and penance for those who do not do so in Uruguay, for those who transgress life with abortions and do not know what they are doing, how much they are wounding Creation with this attitude and human perversion.

Pray and do penance for those who have accepted the idols of this world and those who weaken the souls and cause the hearts to lose the path of Light.

But, at the end of everything, My Immaculate Heart will triumph and those who cannot be in the New Earth will be somewhere else, living from the beginning all these codes that I pour onto them, meeting after meeting. Those souls must learn to be worthy of the Mercy of God. But I will not rest. Your Confederate Mother and Missionary will go till the end, in order to save the largest amount of souls from Uruguay, before everything is submerged.

But if in truth a radical change exists, accepting the Will of God and living true repentance, the majority will not suffer the consequences of their actions. And thus, My Immaculate Heart will intercede, as It interceded once in Fatima for all of Europe, so that it could achieve an inexplicable

time of peace, even though they did not deserve it.

When I am no longer here among you, My children, you must have all these things present and clear, so that My Words are not carried away by the wind, but rather sown in your hearts as codes of life, showing to God true actions meant to rebuild your people and your nation.

Do not be afraid to tell the world that I am here. Imitate the saints on this path of apostleship and of evangelization.

I too am praying, My children, for the bishops and the priests of your people so that one day they too may reach repentance and become aware that I have not come here in vain.

To bear witness of this Work of Mercy to the world, today I will consecrate new Children of Mary, who represent many more nations in the world and who will also be precursors of the Work of the Mercy of God, through their faithfulness, their prayer and their faith.

Let them come here.

While the instruments play the melody of their consecration, their Heavenly Mother will bless them tonight. And blessing all of you, I will also bless this people so that it may live the archetype of God, the Divine Purpose, which one day must be experienced in the hearts of all Uruguayans.

Today, the Mother and Lady of this nation, the Lady of the Thirty-Three, the Confederate Mother and Missionary, blesses your spirits and the spirits of all your brothers and sisters, so that you reach the Purpose of God in a true and simple way, living out actions of charity and of mercy towards the world, acts of reconciliation and peace among all beings of the Earth.

Today, your Guardian Angels celebrate this moment. Your Guardian Angels receive into their hands your sacred and true names, so that your spiritual mission, My children, may be concretized and carried out within this confraternity that My Heart gestates among all the missionaries of the world.

May the spirit of the Brotherhood permeate you, fill you and bring the symbol of Unity to your hearts, so that reconciliation may be established in your inner worlds, faults may be forgiven, wounds may be healed and the Star of the Brotherhood may light up in your hearts, the Star that will repopulate the Earth with beings of goodness and of light, living in union with the whole Universe.

I bless you and consecrate you as children and servants of My Immaculate Heart. May this step that your lives are taking today be the impulse to take many more steps in this walk towards Our Lord Jesus Christ. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

I thank you for responding to My call.

I rise up to Heaven pleading for Uruguay, that it may awaken to the truth.
