DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SÃO PAULO, BRASIL TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

And now, after the Pilgrim Mother has visited some nations in Europe, carrying Graces and the Mercy of God to them, your Heavenly Mother will come with the Sun of the New Aurora to make the sacred attributes of redemption and rehabilitation rise up again in the inner worlds.

The Light of Aurora will emerge again upon the horizon and will bring very significant signs for the life of all beings.

From Aurora, the great portal will open through which the Heavenly Mother once passed and crossed to reach the planet with all of Her Divine Consciousness, as was done on August 8th, eleven years ago.

At the completion of eleven years together, My children, the Light of Aurora will attract to the surface of the Earth the last solar impulses, which will prepare the warriors of prayer for the times and the events that will come.

Thus, establish your feet upon Aurora. Be grateful and place your head upon the ground to revere the Divine and Solar Regency, the Light of Aurora that will redeem the past and will open its doors to the future.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
