DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

With all the choirs of Heaven, your Heavenly Mother comes to meet you to fill you, spiritually, with impulses of light and love, so that each song that will be offered may be an element of healing and redemption for humanity.

From Heaven, I came full of the joy of the Holy Spirit to pour it upon all of My children, so that the same joy and the same happiness that I have for serving the Plan of the Creator may awaken within them.

Dear children, today, may your voices echo with the melody of love, with the melody of healing, with the joy of understanding in your lives the true meaning of your existences within this Creator Universe.

May today, not only the music heal the hearts, but may the souls also open to be able to recognize, within themselves, the ardent aspiration to live the Plan of God as the main mission of love for their lives.

May, today, your voices rise in glory together with the voices of the angels of the Universe so that, in this sacred offering, humanity may receive again, through the impulse of music, the divine atonement that it needs in order to be able to heal its heart and its life.

Dear children, today and in this cycle, I gather the precious souls, the singing souls that will help Me to establish the Principle of Healing, of Reparation and of Forgiveness in the human race.

Children, I need you to continue walking by My side with the strong impulse of being closer, day by day, to the Creator; because your Father, who is in Heaven, will always fill you, will bring you the inner strength to have firmness and determination to be able to take the steps towards forgiveness and redemption.

Beloved children, today, with eyes of goodness and with a smile of light, I contemplate those who approach for the first time to be part of this sacred task of helping to uplift the state of consciousness of the suffered humanity.

Today, especially, I bless the souls that take the first steps in the consecration of their lives to the Plan of Our Lord, Jesus Christ.

May on this evening, not only Aurora shine, but also the inner suns of those who awaken.

I thank you for responding to my call!

Who blesses you,

Your Mother Mary, Rose of Peace
