Daily Message received in the city of Sao Paulo, Brazil, transmitted by Mary, Rose of Peace, to the visionary Friar Elías del Sagrado Corazón de Jesús

My spiritual Light, which is the Light of the Father, descends to the Earth to fill My children with new attributes so that humanity may recover the purpose that it lost after the Ascension of Jesus.

For this reason, children, from Heaven I bring this Source of spiritual light so that My children may be nourished by elevated gifts that will make it possible to restore the consciousness of humanity within simple hearts.

Through this light, children, the planet as a whole is also helped, and souls benefit from this powerful light, which raises their state of consciousness and vibration.

Through this spiritual light, your Heavenly Mother works miracles in people's lives, and planetary life is reconfigured again and again so that beings may attain redemption.

This spiritual light awakens peace and promotes the good in souls because it comes from the Source of the Greater Love of God.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
