WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear son, dear daughter,

May purity be born and spring from your hearts again.

May this purity be formed by a pure feeling, by a pure thought, beyond anything impure that you experience.

Seek to believe, beyond difficulties, in the purity that God gave your soul and heart, and, through that incessant search, learn to truly love, without ceasing to love everything good or not good that happens to you.

Thus, My son, My daughter, you will go through the school of reconciliation. You will learn how to forgive everything that you experience, and, in the sincere act of forgiveness, you will be reborn again.

A pure heart is what humanity has completely lost. The lack of pure feelings and pure action leads souls into suffering, and even into the thinking that God is to blame.

The lack of peaceful and fraternal love has caused the loss of values and principles of spirituality and faith within hundreds of souls.

Be pure, not wanting to be perfect nor transcended. Begin each day with small acts of love so that, not only will you be transformed, but the world will also become transformed and return to the respect and reverence for the Commandments. Without the Commandments, there is no path to Heaven, and, without Heaven, there is no inner peace.

I ask My children to reconsider and rethink your attitudes and the way you see life situations, because when you learn to love and appreciate the differences of humanity, you will no longer know what conflict or violence is because you will have realized the Truth.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
