WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN NAZARÉ, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My very dear children,

With joy in My Heart, I immediately thank you for the precious and humble prayers that, since yesterday, are being offered to the Lady of Lourdes.

Now, more than ever, your Heavenly Mother is at the side of every praying heart that fervently pleads to God for the end of this pandemic and for the cure and relief of humanity.

Today, I would like each one of you to feel close to the Lourdes Grotto, in order to be healed by the spiritual water that has been flowing incessantly for years. I would like your hearts to be purified by My Grace and healed by My Love of a Mother so that this world may be transformed, day by day, into the living Aspiration of the Creator.

With reverence and devotion, My Heart receives, within it, the prayers of all the prayerful ones, especially those who, throughout these days, at the feet of the Immaculate Conception, pray with faith and fervor so that Graces may descend, those Graces that are needed during this sorrowful time.

With hope, I symbolically invite you to wash and bathe in the spiritual water of Lourdes, having faith that all spiritual and bodily illnesses will be taken care of by the Mother of God, so that My children may live the healthy experience of the Love of Christ, of a Love that offered itself and will continue to offer itself to heal the deepest wounds and miseries of the human condition.

If you surrender to Me every day, I assure you that you will be surrendering yourselves to My Son, because this is what He expects from His apostles: companions divested of themselves so that they may be in alliance with the Redeemer.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
