WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED DURING THE JOURNEY FROM MONTEVIDEO, URUGUAY, TO SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

On this day, dear children, I come as Watchful and Guardian Mother of the Sacraments, in the name of My Son, to thank the priests of the Order founded by Christ for the sacred offices rendered in the Light Nuclei, in the groups of the Light Network and in your families.

We were able to witness, from the inner planes, the fruits that were brought to all from the Holy Land.

My Son was able to reach the essence of many souls through the Sacraments, and now is the most special moment when Christ will work and seek to have a place in the hearts of His companions.

The Science of the Sacraments is an inexhaustible source of Graces and also of miracles.

The soul who, for example, is anointed, even without living the Path of Christ, is considered a redeemable soul, and the merit and Grace it receives is granted by the office of the priest.

This is why My adversary tries to undermine the vocation of priests; because he knows that every time a priest officiates, with all his heart and life, at any of the Holy Sacraments, he loses from his clutches the soul that was sacramentalized, because that soul comes to be regarded as a worthy son or a worthy daughter of God.

This is why the faithful and devotees to the Sacred and Unfathomable Heart of Jesus must pray daily for the favorite children of Christ, the priests, so that they may always be pure instruments of self-giving and service to those most needy of spirit.

My Son, today, through My Maternal and Immaculate Heart, bless you and bless especially the priests of the Order and of the world for being mediators of all the Graces of the Sacred Hearts.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace and Guardian of the Holy Sacraments.
