WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN CANTABRIA, SPAIN, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear children,

As Virgin of Carmen and Star of the Sea I meet you again in the sublime refuge of My Immaculate Heart.

Today, I come to you to raise all your prayers to God, especially the prayers that I know are important to your hearts.

I ask you to continue praying with Me for peace and for the end of the senseless war, so that My children, immersed in the illusory struggle for power and for the conquest of nations, can come to their senses and convert before it is too late.

Therefore, I come as the Eternal Star of the Sea to lead all of My children to the safe harbor of the Heart of God, and to try to withdraw from the stormy and troubled planetary sea those who no longer manage to persist.

My Son sends Me as Mediator and also sends Me as a Suppliant Mother, as the Mother who cries out to humanity for the end of war and the use of weapons and nuclear tests.

Dear children, in My prayers and supplications, I desire that humanity no longer regresses, that it does not close its heart to God, to love and to life.

Therefore, we must pray and make sacrifices so that those who are already condemned may receive the last table of salvation.

Dear children, I am united to all My prayerful ones who, day after day, support with love and faith each of the different weekly prayers. This is very important to Me, because in this way your Heavenly Mother has spiritual means to intercede, rescue and save.

My children, with your eyes fixed on My Immaculate Heart, renew yourselves every day.

I am with you and I wish you peace, peace for the world.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace and Star of the Sea
