APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

The Great Immortal Spirit of the Lord of the East will try to rebuild the peace on the planet, as the wars of these times, especially those wars that hide from everyone's eyes, have torn the ether of the planet, and the contrary forces have entered humanity to disturb hearts, to dissociate minds, to divide all of humanity to the point that it forgets that all are brothers and sisters who have one God and are children of the same Father.

For this reason, the Lord of the East will rise again as the Great Sun of the Universe, so as to help the souls of humanity, so that He may rescue the nations that are being lost, so that He may raise again all the hearts that have lost faith and the trust in hope, that have lost love due to all that they live, all that they go through and suffer in these times.

However, this powerful Light of the Lord of the East, His Great Immortal Spirit, will not oppose anyone or any other energy, because His Christic and Immaterial Consciousness will bring to all souls what is new, just as He did so long ago for all the hearts that were incessantly seeking the Master among masters.

The Lord of the East will reappear as He has promised, and He will open the doors of Mercy on the planet so that hearts may rise again, so that nations may be reconciled again, so that all may wait for His long-promised and expected Return.

Because in that hour, His Peace and His Light, which are invincible, powerful and immortal, will bring to hearts the end of the cycle of suffering, the end of the cycle of spiritual, mental and physical illness.

He will open the doors to universal healing, and it will be at that hour, My children, that the Lord of the East, upon proclaiming His Word once more, will carry out the Universal Judgment, and at that moment all will be known, all will be deeply known, and no one will remain in ignorance, because His Spirit, permeated by Wisdom and Love, will bring clarity to hearts, peace to all the lives that have always waited for His Return with ardent devotion, and the whole universe will accompany that event.

Therefore, prepare yourselves for that moment in advance, internally prepare your hearts and souls, because His hour is drawing near, and you will no longer see the chaos of these times, because even those who have not been redeemed will have the opportunity to redeem themselves, will have the opportunity to ask for forgiveness and amend all the errors they have committed throughout the times.

I know that this will seem unattainable to you. But when the Lord of the East emerges as the Light of the Sun on the horizon of this planet, He will keep all this well in mind. Because a new cycle will begin, as it is written and prophesied. And I Am here, as His Holy Mother, to announce it, because I

Am the Mother of the prophets, the Mother who announces the Return of Christ.

This is why I come here, to spiritually leave the signs of Christ and the signs that He left in every step of His public life, at every moment of miracle, as well as at every moment of liberation.

When the Lord of the East returns in the next cycle, He will gather all His lived experiences and His merits. He will not use the power that God gave Him, because He will emanate His infinite and cosmic Love for the souls.

At that hour, no one will be able to resist His immeasurable Love, because His impulse will be a stronger solar impulse than all the stars gathered in one, stronger than all the suns of this universe, more powerful than the original expression of Creation. Because the Lord of the East will come with His true Face, that Face that was initially known to some of His apostles on Mount Tabor.

And I assure you, My children, that humanity will completely understand what will be happening. Because the Lord of the East, in His Return, will no longer bring you mysteries, but rather, He will unveil to you the treasures of Heaven and of the universe. Because He, as an emanation of God Himself, and of Divine Life itself, will demonstrate to all, to all creatures of the Earth, what God truly is in His Essence, in His Spirit of Love, Prodigy and Compassion.

Therefore, My children, all those who follow Christ regardless of their religion or belief, regardless of all dogma or spiritual discipline; each one, through their learning of love, forgiveness and redemption, must prepare the Return of Christ and separate from conflict once and for all, because the world is already full of conflicts.

In this last meeting of December, My Son taught you to gather and unite through prayer, to the powerful Supplicating Network, which is the one you must connect to internally through the creative word, and which provides the power of authentic prayer.

This deters the grave events that want to make humanity succumb.

The power of the creative word, if correctly utilized, avoids greater disasters on the material and spiritual plane and deters the dark ideas of many minds, because no one can imagine humanity immersed in darkness.

This is why the spirit of prayer and of the creative word stops many events, grants many opportunities, bestows many Graces and Mercies for those who perhaps, by Law, would not deserve them, and corrects the deviated path of many souls and brings them peace.

With this, you will be ready to receive the Lord of the East, because His Presence will be unmistakable, His Love will be the same that you knew in the Holy Land, in each act, in each prodigy, in each Word emanated through His Love.

Aurora, as an Inner Kingdom, has a fundamental task in the end of times, as the preparatory base for the Return of the Lord.

I do not want to tell you more than I am supposed to tell you, so that you may not lose My spiritual impulse. Because it is important, My children, that you may understand what I want to tell you through this Message.

He sends Me here as His Servant, but I come here also as the Mother of all, to carry forward this Plan of God, which must manifest itself and be concretized on every plane, and must be a reality and a triumph through the redeemed souls.

As a demonstration of this Love, which allows the miracle of life and the conversion of hearts, may those who will be consecrated as Children of Mary come here, so that I may bless you in the name of humanity.

Today I am here, dear children, before the most important cell of God's Project, which is the family, which in this time is being attacked and divided by My enemy. But feel My protection, feel My consoling and maternal embrace, because God will not allow His most precious Project to be destroyed.

Beyond the battles and conflicts, beyond the lack of peace or understanding in the family, as My children who are consecrating yourselves before Me today, offer your prayerful lives for all the families of the world, especially for those who have been hurt or have suffered aggression through value judgments or condemnation.

Entrust your children and family members to Me, and I commit Myself, as your Holy Mother, to take care of them and assume them. Because My main mission, My children, is that your families may be a mirror of love in the world, and that spiritual and human values may dignify all families of the world.

Thus, receive My maternal and spiritual blessing, especially the mothers that are here with their children today, at this Altar, may they receive the Immaculate Spirit, the Spirit of God, which enveloped your Holy Mother, Saint Joseph and the Child Jesus in Bethlehem.

May the flame of your lives be simplicity, just as it was in the Heart of your Holy Mother.

May the flame of humility be in your lives, just as it was in the Chaste Heart of Saint Joseph.

And may the flame of purity be in your families, just as it was in the little Child Jesus, so that innocence may be recovered in this world, in families, in the peoples and nations that live through wars.

Through Solar water, I offer this soul, on behalf of all the souls that have been decapitated in the Middle East, so that humanity may remember that it will never be able to live without the love of a true mother. Because the love of a mother will never condemn you. It will always guide you along the good path, along the path of goodness and charity.

I thank you, My children, for having offered the Grace of your families to Me today.

Know that Love will always triumph, and that evil will never win, because you are Children of God.

I bless you and consecrate you as Children of Mary, as the children that you have always been, since other times.

In the name of the Father, the Son and the Holy Spirit. Amen.

Today, I want to bless a rose for each one of you, so that you may always remember that the Beauty of God exists, and above all, His Love always exists beyond all things, and that He placed His Love

and Beauty in each one of you the moment you were conceived in the wombs of your mothers.

Children, God has thought of everything, and today God remembers you through Me.

May the beauty of your souls be expressed as a flower.

May the devotion of your souls rise through the aroma of the flower, and may the Love of the Father always heal and cure you.

You are now Children of Mary.

Friar Elías del Sagrado Corazón de Jesús:

At the request of our Mother, we will, after this moment, prepare so that these families, which consecrated themselves today, may receive the Sacrament of Baptism, as an act of spiritual renewal and as an offering for the families of the world, especially the families that live wars and cannot find peace.

I thank you for responding to My call!

In the name of the Father, the Son and the Holy Spirit. Amen.
