WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN the Light-Nucleus Sacred Heaven, Belo Horizonte, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear and beloved children,

Today, holding all of you in My lap, I invite you to continue praying and adoring the Eucharistic Body of Jesus, so that here the time foreseen in the Plans of the Father may be fulfilled.

Through the Monastery of the Door of Mercy, I would like you, in this new cycle of the Light-Nucleus, to open that door of Mercy for those who need it most; but mainly that you, My beloved children, learn at this stage to open the door of the heart so that all may have a place in you, just as God, the Creator, has a favorite place for His Children.

Through the Sacred Fountain of Jesus that you will open here, in this house, for all souls, remember that, from the most sinful to the most rescued, they will be able to use the Fountain of Jesus to purify their lives and thus, wash the marks of the past from their faces.

Today, once again, I come to bless you, I come to encourage you and to impel you so that My Sacred Heaven may continue to expand the Light of the Eucharist in this needy city of Belo Horizonte.

In the name of My Son, I thank you for these days that were shared.

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace and Lady of God's Sacred Heaven
