Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of the Child King, Rio de Janeiro, Brazil to the visionary Friar Elías del Sagrado Corazón

I Am the Always Immaculate Virgin

On this day, dear children, when all the Heavens proclaim My purest and most divine Immaculate Consciousness, I would like the coming of your Heavenly Mother to be proclaimed in the Heaven of this Marian Center of the Child King.

I want each of My children present here to be able to awaken their immaculate spirit within themselves, held in the deep essence of each being.

Because of this, on this day your Mother, the Immaculate Conception, comes to this Marian Center to finish founding and erecting the spiritual bases that will make of this place one of the first islands of planetary rescue for the Mineral, Plant, Animal, Human and Devic Kingdoms.

Throughout these recent years, during which this Center was being built, you, dear children, experienced and learned unconditional service and love.

In this cycle, when the human consciousness will need to be guided in its experience of redemption and purification, I lovingly invite you to enter into a mature practice of the Law of Hierarchy so that each step taken here may be permeated by the purest Love of God and of His whole Celestial Consciousnesses.

I need, children, that from now on your hearts prepare to experience a new cycle, a cycle of conscious and inner instruction that will begin with the impulses that the entire Spiritual Hierarchy will give to this planet.

Having already formed the bases of fraternity, of service and of love, you will be able, as in other times, to together take this step for the common good and for a Greater Purpose.

Today I leave you the remembrance of My Immaculate Conception so that on this February 11th, from the Marian Center of Lourdes, there may again arise the innocence that this humanity and this planet so need in order to experience their awakening and redemption.

I am happy to return to the manger of the New Earth to see the little Child Jesus in each one of you. I am grateful because you have received Me with love and devotion.

I thank you for responding to My call!

Who blesses you with the Triune Flame,

Your Mother Mary, Rose of Peace
