Message for the Apparition of Mary, Rose and Queen of Peace, transmitted in the Marian Center of Aurora, to the visionary Sister Lucía de Jesús

I am the One who, on the hilltop, opened the Heavens and the eyes of seven children, so as to awaken humanity.

I am the One whose love is endless and who, by Her celestial maternity, has been returning to the world every day for 35 years.

I am the One whose humility does not belong to this world; the One who, being Mother and Queen of Creation, makes Herself the smallest of the servants and who, being in all things, expresses Herself in a human body to speak to humanity.

My humanity was already transcended in divinity at the moment of the Assumption, but My Love for you, children, is so immense that the Creator allowed Me to continue with this human aspect and appearance in My divine Consciousness to speak to your hearts and to awaken you.

Beloved children, I would like to build in the Marian Center an imitation of My Kingdom, which is invisible to the eyes of the body, but palpable to the heart.

On the subtle levels of each Marian Center is the essence and the archetype of that Center, that which it should become to truly fulfill its mission on the surface of the Earth and even beyond.

Children, the Marian Centers that I founded, on the ground that I chose, were not raised by chance. My house of peace and redemption is first built on the levels of the spirit and then in matter, so that matter imitates the spiritual construction, not only in its appearance, but in its divine principles and expressions.

Each Marian Center represents a powerhouse of transmutation, salvation, awakening, redemption and peace for the souls, for the Kingdoms of Nature and for the Universe.

A real Marian Center, raised and sustained by your Celestial Mother, does not begin nor end in this world. What you see in the material plane is only a door to something more sublime; it is the beginning of a path of awakening and of redemption.

Those who approach a Marian Center, in reverence and with open heart, will feel that the sacred dwells there and that divine Laws and sublime beings share the Dwelling of their Celestial Mother.

To dissipate the darkness of ignorance from the consciousness itself and to know how to correctly be in a Marian Center, recognizing the truth about it, it is necessary, My children, to be willing to do so with the heart.

Go to the Marian Centers not only to pray and find peace, but also to provide planetary service, to deepen your own the spiritual awakening and, therefore, the awakening and human evolution.

Do not limit, My beloved ones, the action of your Celestial Mother. Know that I am in Omnipresence in each Marian Center, waiting for you to approach My Heart and to unveil for yourselves the mysteries what you should recognize at this time.

Children, My Presence in the Marian Centers is permanent and unchangeable; I am not only present when I come to speak to you. The Marian Centers are My homes on Earth, they are the epicenters of peace that allow Me to be in the world.

It is from the Marian Centers that I care for and protect the souls, that I shelter and guide them to the Kingdom of the Heavens. The Marian Centers are the entryways of the angels and archangels to this world. It is through these Centers of love that the Creator can liberate and transmute the suffering of the Earth.

Therefore, children, it is important that you understand that the life of the Marian Centers must be permanent; there is not a set date to liberate the chaos and the evil of the planet, because the evil does not have a time to act. While those who pray work at a specific time of the day and often only donate to the Marian Centers some days of the month, the enemy does not sleep and works without rest.

Do you understand the anguish of your Celestial Mother?

While the enemy outrages souls and the Kingdoms of Nature without asking for permission, I, children, depend on the adhesion of your spirits and of your hearts to act. My eyes also do not close to sleep and My arms do not search for sleep or rest, but I need you, My children, awake and active, building and renewing My Centers of love and redemption for Me to be able to rescue the souls from the darkness of the planet.

Today I will thank you for listening to My call for 35 years and I will ask you, My children, not to accommodate yourselves with the passing of the years and that you put your hands to work for the planetary redemption because, the more time goes by, while the human beings get used to the Presence of God and accommodate themselves in their homes, without going to the Marian Centers to work actively for peace, the adversary of the Creator multiplies his armies.

Wake up, My beloved ones! Leave your comfortable homes and discover the Grace of becoming a consecrated server to the Divine Plan. When you take a true step in your awakening, you will not regret it and will not look back, because the goal of a new

race and of a New Earth will illuminate the eyes of your hearts and will give you the impulse you to go forward.

I love you and give you My Peace.

Our Mother, Rose and Queen of Peace
