Daily Message of the Virgin Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón de Jesús

On this day of Resurrection, the holy women entered the sepulcher on finding out about the disappearance of Jesus.

The Lord had risen, thus testifying to the Love of the Living God for humanity.

Mary Magdalene went fervently in search of her Beloved Lord and, not finding Him there, realized that something had happened.

In this way, Mary Magdalene remembered that Jesus had told her that He would be present in all the Tabernacles of the Earth. Thus, the Master of Love wished to have her understand that He would always be alive in the heart that opened to remember Him and re-experience Him every day.

This mystery of Christ revealed within consciousnesses and in Mary Magdalene the exact faith in the Purpose of the Eternal Father and in the expression of Divine Trust.

Then, after Mary Magdalene had searched for Jesus so many times, Our Lord made His first Apparition close to the Holy Sepulcher.

That in this encounter Mary Magdalene was able to see the Lord alive, meant the opportunity for the world to believe in the occult aspect of the Resurrection after death.

Through this mystery of the Resurrection, as He did with Lazarus, Jesus taught that the corporeal life that becomes corrupt can transfigure into something incorrupt.

Thus, through this passage, the Lord came to teach that other universal and spiritual Laws can be applied in consciousnesses, which first must believe in them.

I thank you for responding to My call!

Who blesses you always,

Your Mother, the Virgin Mary, Rose of Peace
