DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??

The world is deaf and does not hear the Words of God, the ones that arrive by means of His Heavenly Messengers. The deafness of the world was caused by the material vices, the modernities and the total lack of control of life; thus the souls are tied up to these strong chains and are incarcerated in the prison of earthly life.

The inner strength fades, the flame of love is not able to last in them, and I come from Heaven to save those who are lost and blind for straying from the spiritual path.

I see how My children, the children Jesus handed to Me on the cross, allow themselves to be taken over by superficial things and give up to continue advancing on the pathway of light.

Everything is in its Trial and this, My children, is inevitable. Therefore, time and again, with all the love of the Universe, I come to call My children to awaken from the dream from which they have no awaken yet.

The mediocrity of human life is very big and this does not allow the Light of the Kingdom of God to be able to penetrate in the great abysses of Earth. It is so that the Heavenly Hierarchy carries out the plan to dilute little by little the global hypnotism of humanity.

Your Heavenly Mother gathers the soldiers and summons them to the prayer for peace, for the bands to fall from the faces and the hearts can feel for a moment that the Love of God has descended.

The Father wishes the best for each of His children; the souls are the ones that decide to deviate, far away from their lives, this intimate wish of God.

The world as a whole has decided to learn through pain, indifference and sin. But this is not fair for the planet nor for the lower Kingdoms of Nature that bear the result and the consequences of the human actions.

I come to take off the bands from the eyes of all My children for them to be able to see and feel that beyond this concrete reality there is a celestial Universe, that is the Higher Kingdom that will always provide everything you need. And many still delay their awakening to this celestial reality and suffer, only suffer.

It is time to overcome the layers of human inertia and encourage yourselves to discover the Love of God by the Love of His Beloved Son.

I leave you this reflection for you to work on it.

I thank you for responding to My call!

In eternal prayer,

Your Mother Mary, Rose of Peace
