DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED during the journey from Lisbon, Portugal to Warsaw, Poland, TO THE VISIONARY FRIAR ELÍAS CORAZÓN DEL SAGRADO CORAZÓN DE JESÚS

Allow your soul to permanently invoke the Divine Mercy of the Redeemer, so that His Source of Love and Grace may pour upon your being the Gifts of redemption and healing.

In the meantime, My child, and even when humanity purifies itself, invoke from within the power of the Mercy of My Son, so that, it may continue descending upon humanity and the planet be washed of its profound wounds.

Acquire a spirit of meekness and hope in the midst of the tests you and humanity will encounter.

You must always keep in mind that the Divine Mercy of My Son performs miracles and converts impossible situations that cannot be solved by human will.

Be encouraged to say "yes" to the Mercy of the Savior in spite of the falls and delays.

In that way, there will be souls in constant offering so that the planet may be illuminated and blessed by the same Mercy.

I thank you for the effort of your prayers!

Who blesses you,

Your Mother Mary, Rose of Peace
