**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

My children,

For the immense Love of My Son, remain in prayer for the souls that distance themselves from God, those souls that rapidly withdraw from God.

Dear children, know that My Immaculate Heart holds you strongly so that, following My steps, you may reach My Son. The Redeemer calls you for you to live in His Perpetual Mercy. Therefore, little children, feel mercy in your hearts so that afterwards your lives may manifest it to your brothers and sisters.

Dear children, I lovingly envelop you in My Mantle of Peace; it is time for all My children to receive the same Grace through your prayers.

My children, you know how important it is to forgive with the heart. For this reason today I invite you to truly forgive at each moment that which you may be living in your lives. Forgiveness, dear children, will lead you to find with sincerity the Celestial Kingdom of Christ, in this way your hearts will be imitating My Son.

Dear children, for the world to change according to the Will of God and not according to the will of humanity, I invite you to be a pure prayer in your lives and in your actions. Thus, through the act of prayer you will help daily in the redemption of many of My children who live without God.

I lead you towards the path of the consecration of your hearts. It is up to you to collaborate, My children, with all your brothers and sisters through the prayer of the heart.

Remember, My children, that there are many souls that daily walk through pathways which are not the paths of My Father.

Because of this the consciousness of each one of you and your love in prayer will be able to repair what many souls do without consciousness.

Live in the Redemption of My Son; say "yes" to the Light of His Sacred Heart.

Thank you for responding to My call.

With the infinite devotion of My Immaculate Heart,

Mary, Mother of the Divine Conception of the Trinity
