DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

To all of the marathoners of My Mercy I only ask you to realize the same task that was accomplished in the first Marathon of the Divine Mercy at the Marian Center of Aurora.

This time the Marian Center of Figueira will have the opportunity to prepare the dwelling that will receive the visit of the Celestial Redeemer and the warm and loving arrival of the pilgrims, those who will carry forward this Marathon of the heart.

For this the preparatory details will make the difference, so that the fruits of the Marathon may be able to be collected and carried in the heart of all of the pilgrims.

This impulse of merciful prayer will be united to the beginning of the Mercy Mary TV that will open the doors so that the souls may enter into My Kingdom of Mercy. All of the members of the Marian Center of Figueira will be those who will prepare the path of this Marathon so that the souls may, during these days of September, make use of what they will truly need, such as strengthening faith, reaffirming the commitment with Me and being partakers of My Unfathomable Mercy.

Now the Marian Center of Figueira has been chosen to begin this new cycle in which the divine message that comes from Heaven may be spread to the four cardinal points of the Earth. So that this may be possible the Marathon of Mercy of the month of September must be an inner encounter for the relief of the souls and of their sufferings. In this way My Presence will make Itself present, as in Aurora, in all of the details that may be realized with love and for love.

This new Marathon of the Divine Mercy promises a special and spiritual help for Brazil and its inner situation as a Nation. It also anticipates that by means of merciful prayer, situations that would be inexplicable for the consciousnesses may be able to be reorganized and receive the necessary peace for these times.

In this way Uruguay and Brazil will end up being blessed by My Mercy, but in order for the sacred triangulation of the Holy Spirit to be finished, this task must be completed by the Nation of Argentina.

For this I mention the city of Buenos Aires so that in the coming 5th and 6th days of October of 2013 it may receive the Divine Universal Mercy and so that It may arrive to the heart of My Argentine children because the three nations must re-consecrate themselves to My Sacred Heart.

All will be especially accompanied by My Spirit.

Good and fraternal preparation for all of the pilgrims, marathoners of My Mercy!

Under the Grace of the Father, be blessed.

Thank you for responding to My call of Universal Mercy!

Christ Jesus, the King of kings
