DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

The final battle of these times will be arduous so that love may vanquish indifference.

In this battle, your souls and hearts will be fighting so that, through the power of daily prayer, the world may receive the last opportunity it needs in order to be able to take the step that it has not yet taken.

In this battle, everything will be permitted, because souls will have to learn to choose, and your free will, will be at stake, because that which you will experience will depend upon what you choose. This is the current reality.

While humanity is still paralyzed by the pandemic, may souls take the opportunity to reconsider and bring toward their consciousnesses the true meaning of being present, within this humanity.

May the reason for this moment of world inflection be to repair and rebuild spiritually what humanity has destroyed through its ideas and actions. In this way, the Universe will look at you with other eyes, and more Divine Mercy will descend, to convert this moment into an opportunity of healing and redemption.

My children, the school of prayer is the fundamental basis of this moment because, through it, you will learn to be more concentrated and aligned with the Divine Purpose, and this will have repercussions throughout the whole world, so that more fraternal and fair actions may take place upon the planet.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
