DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED DURING THE JOURNEY BETWEEN SÃO PAULO TO FLORIANÓPOLIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Everything in the life of those who surrender to God can become a service even if their minds do not know it.

Let the Father make of your being His instrument in the world, so that your prayer may be liberating, that your renunciation is repairing, that your surrender is healing, that your love to God is the motor that makes the Divine Mercy an unending source for Earth and for all of life.

The human heart is full of mysteries and one of them is that almost all the Laws and Divine Rays can manifest themselves in your lives, even if there is no knowledge about Them. In this way, children, your actions are pure and sincere, your intentions are turned only to the Divine Purpose.

Today be a little more conscious of this higher reality and pray, allowing the doors of liberation to open in this world and so the ties and oppression that suffocate the souls and the Kingdoms of Nature will be dissolved.

Renounce with joy and let that action be like a balm for the Heart of the Father because when you renounce your human will to fulfill the Will of God, you are repairing the Heart of the Father of all the wounds that human indifference and self-will cause Him.

Serve and surrender your heart to the Greater Law so, child, your actions will attract the Sublime Laws of Heaven which will make the Heavenly Source pour graces and Mercy upon those who do not deserve it but that, in spite of their mistakes and sins, are profoundly loved by God and were created with the Divine Purpose from which they deviated.

May your life be as a light in the world, lighting up the path of those who have lost themselves and giving peace back to them.

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
