WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

My feet again touch the blessed land of Fatima to dispel the darkness that reigns in distant Europe.

I come to be with you once again so that you may listen to the voice of the Sorrowful Mother who claims for peace and the end of war.

I bring, in My Heart, the sacred flame of the Divine Purpose, so that souls who are asleep may awaken to the reality of doing something for the one who suffers and for the one who is unprotected.

I am the Light of Aurora. I am the One Who can dawn in the hearts that opens to recognize Me as their Celestial Mother.

Dear children, the stage of the great service will now begin as well as the greater effort in Europe, Africa and the Middle-East so that the scales of inequality may be balanced and the poorest among the poor may receive the Grace of the dignity that they deserve.

For this reason, the Divinity will enter the neediest spaces; but the Divinity, through the Holy Spirit, will also dialogue with those hearts that must awaken to the truth and to kindness.

I, as Mother of the refugees and of the abandoned, will be praying by the side of each missionary heart that offers, in the name of My Son, to attract justice and human dignity to the world.

For this reason, I ask for the awareness of all those who will be accompanying from a distance the works of charity and of peaceful dialogue that will take place in the Northern hemisphere, because the time has come when each prayerful being must feel responsible for the Plan of the Return of Christ to be fulfilled in this humanity, no matter what.

Let us pray every day, placing these intentions in our hearts.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
