Daily Message of Mary, Rose of Peace, transmitted during the journey from Managua, Nicaragua, to Mexico City, Mexico, to the visionary Friar Elías del Sagrado Corazón

Feel the trust, for in My Heart all will always be well, because it is the Will of the Eternal Father.

On this day, My Divine Consciousness rests over Mexico so that it may once again be blessed by My Grace and My Love, on finding devoted hearts open to praise Me in love and in simplicity.

It is in this way that your Heavenly Mother prepares you for this third part of the mission, with the purpose of offering Mexico and the world the inner relief that they need so much.

I will call you one by one so that you, My missionaries, may stand before the sacred Face of the Mother of Guadalupe. This gesture of gratitude and thankfulness on your part for all that has been possible in this Marian pilgrimage, dear children, will spiritually allow your hearts and those of your brothers and sisters to receive My Graces when the last part of the pilgrimage to Honduras is accomplished, thus closing a cycle of great spiritual and planetary balance for Central America.

With My open arms I receive you, dear children, and I thank you for once again responding to My call.

Who protects you always,

Your Mother Mary, Rose of Peace
