DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE GRAND CANYON OF COLORADO, ARIZONA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the same way that the interior of the Earth holds the most precious treasures of humanity, the Sacred Chambers of the planet hold the crosses that humanity carried in other times, and how those spiritual crosses still continue to be redeemed in the current humanity.

The weight of the errors committed leads current humanity to have to strive more to generate the balance necessary to learn and to know how to go through the end of times.

The more consciousnesses give of themselves with awareness to spiritual service for humanity, the greater will be the harmony that will be established through everybody's offering in order to compensate for the grave errors of past humanity and of future humanity.

This is the time for perceiving the planetary need and make it a part of yourselves so that the greatest possible number of souls may be benefited and helped by Divine Mercy, a Law and a Science of spiritual justification that will redeem all that is impossible.

In this way, we will be in time to relieve the heavy cross of the current humanity so that the new Christs may emerge, the Christs of Love and Light.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
