DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MUNICIPALITY OF MILLE-ISLES, QUEBEC, CANADA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Understand that this is a time of transition and that you are at the doorway of a new time in which the old human being will no longer have the place they always thought they had, because everything will be renewed when I return to the world.

This is the time to be free of the old self, and all are being faced with this time.

It is an event that, until now, nobody has experienced.

The more open the heart is to the changes, the less it will suffer, because all will have the chance to go past that barrier that separates the current time from the Real Time.

But your consciousness must be expanded and, without prejudice, receive the change of cycle as has happened many times, except that this new time that is approaching is not the same or similar to any other.

It is a time in which everything will be reconfigured so that the weight of the errors of humanity will no longer be the obstacle that will get in the way of the elevation of consciousness.

Thus, in this unconditional openness, the Spiritual Hierarchy will be able to help so that consciousnesses which take the step may go forward to meet the new time, without the weight of yesterday nor the guilt of the past.

The new time will bring a very powerful current of healing.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
