**MESSAGE FOR THE SPECIAL APPARITION OF THE BLESSED MOTHER OF JESUS,
TRANSMITTED IN THE CITY OF SÃO PAULO, BRAZIL, TO THE VISIONARY SISTER LUCÍA**

Come and retreat into My Heart when fear knocks at your door. There is no safer port than My Mantle, and under it, you will be safe from all evil.

Come into My maternal arms when your feet no longer have the strength for walking. As a good Mother, I will carry you in My celestial lap to meet the Creator, just as I did with the Child Jesus in the Temple.

Count on the science of My Kingdom and the understanding of My Consciousness when your small mind cannot encompass the mysteries of Heaven.

Count on the voice of your heart and on the certainty of your spirit to trust in My Presence.

Count on the power of prayer and the action of fasting so that your steps are long and easy, accompanying the steps of My Son.

Every day count on the Words of Jesus because He reads the true need of your soul in your heart and leads you with sweet words to the Celestial Kingdom.

Count on the greatness of My Presence so that everything else becomes small.

Count on the Eternity in the universe so as to perceive that everything on Earth is transitory.

Hold on tight to the Love of My Heart to dissolve your fears.

Do not be overwhelmed by any darkness, for the Light that is before you today is so great.

I am the Mother of the World, the Universal Mother. In My celestial womb, I gestated each soul of this Earth; you are all My blessed children, whom I come today to lead again to My Kingdom.

Come, My son, come, My daughter, it is now time to return to your Celestial Home and discover the great essence of the universe in your small heart.

Do not fear meeting the unknown, do not fear to be different today than you were yesterday.

I come to bring you the new, which in truth, is what is most ancient that sleeps in the universe, but which the eyes and the hearts of My children refused to see for so long.

Walk today toward My immense Heart and leave your small heart in My arms; trust in My motherhood, for I will know to guide you.

If My Presence is unknown to your heart, and your mind does not trust My Voice, simply open to the Truth, and for a small instant, let My Spirit enter your life; enter into prayer and I will show you

what is most sacred in the world. An unknown Peace will permeate your spirit, and in that instant, your small soul will glorify the Lord. Hold in your memory this feeling of change, this is My greatest miracle, a miracle of love.

I thank you for responding to My call.

Mary, your Divine Mother and Queen of Peace
