DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Unknown and new situations will come to the world, mysteries that will be revealed in order to raise awareness and redeem the human consciousness. But most people will not be very attentive to perceive that moment. The most awakened will recognize the coming of that experience.

All of this will place humanity before the truth; no one will be able to hide it or make it disappear, no manipulation will prevent it, because the time has come for the human mind to be overflowed, by revealing impulses that will define an entire cycle.

Therefore, you must be attentive to the signs, to everything that Heaven will show and leave as symbols of its revelation. Now, it is time that you may first recognize it, and then understand it. Consciousnesses will have the Grace of knowing it and identifying it.

Prepare your hearts without expectations.

A long story that seemed to have no end, will finalize.

I thank you for responding to my call!

Who blesses you

Your Mother, the Virgin Mary, Rose of Peace
