DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF BRASILIA, FEDERAL DISTRICT, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

When you cannot do anything for your life, give it to Me so that I may perform miracles of Love.

When you are unable to find meaning or reason within your being, give Me your life and I will perform wonders in your being.

When you believe that you have lost everything and nothing makes sense or has reason any longer, give Me your soul and I will do works of redemption.

You cannot justify that you are unable to do anything for your life, because I will give you the strength and the motive to understand the reason to be here and to live in the school of this world.

Do not believe that you came to Earth to be a normal person; you are part of an existence still unknown to you, and one day you will understand why He lovingly created you in His image and likeness.

You must penetrate the mystery of such a vast and not temporary Love, which allowed Itself to be nailed to the Cross in flesh, so that your redemption could be assured.

So, imitate Me, not in perfection, but rather in the infinite possibilities of stepping out of yourself every day, so as to be able to triumph in love and in surrender to that which is Greater.

This is the time to live the void and submerge into the Universe so that your star of origin may be the one to guide your steps toward the carrying out of service, out of love for a Greater Love.

Dare and you will not regret carrying the cross of these times with Me, just like the Cyrenian carried it, out of love for the unknown, to Mount Calvary.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
