WEEKLY MESSAGE OF SAINT JOSEPH, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

When the Eyes of God contemplate the Earth and His Silence gives place to the emanation of His Word, saying to the world "Be reborn!", may life, essences, souls, and the spirits of beings be reborn!

May the outraged kingdoms of nature be reborn. May the lost hearts be reborn. May the treasures hidden by the ignorance of humanity be reborn.

This is the time to prepare the heart for rebirth. Do not only think about death, chaos and wars, purifications and conflicts. Lift your eyes up to Heaven and unite yourself with the Silence of God, waiting for His Word to be pronounced to the world and to give new life to all beings.

Rather, allow yourself to be purified, transformed, and to die to the old man, but do not let your heart only be there! Let your heart, child, be in the hope of being reborn, because, today, what was hidden has already started to emerge. Like the Aurora, which was reborn for life on Earth, through the emanation of the Divine Will, part of the Sun of God in the Heart of Brazil will also shine again.

Allow yourself to be reborn with the Divine Mysteries. Allow yourself to be renewed, even if you do not understand what I tell you. My Word brings mysteries like the Will of God, but if you follow what I say and place your gaze in the Heights, following the steps of the Creator, you will renew yourself like life and you will be reborn again and again, even when, around you, the world experiences chaos, death and the absence of a meaning to life.

Be an instrument of life. Be reborn with the Divine Will and renew yourself every day so that God may renew the world through your heart.

See, child, that healing is emerging on Earth again. The Heart of the New Aurora has attracted healing to the world so that other Suns, which had gone out because of human indifference, could, once again, be lit up, and amidst the darkness of the end of times, light may shine again.

Be part of this light. Be part of this mystery of love.

Your Father and Friend,

Most Chaste Saint Joseph
