**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

As Mother of all beings of the world, today I contemplate the new time in My hands. Therefore, dear children, I only ask you to raise your arms towards My Peace, because many souls that suffer need to alleviate their pain.

You, dear children, who listen to My call, must propagate the power of the Grace that I am pouring over this city of Buenos Aires.

This is so, dear children, in order that you may know that Jesus, the Redeeming King of the Universe, loves you and contemplates you through My Maternal Love. It is time for all the groups of prayer that are consecrated to the Light of My Immaculate Heart to pray more for Peace, for the true peace which comes from My Son for all of you in this new time that I am announcing.

Dear children, leave the past behind, be born again today in My arms because My Immaculate Heart loves you and knows you. It knows how much you need Inner Peace.

Today I invite you, My children, to be active founders of My Peace for the world and this task will be able to be real when the groups of prayer have this celestial goal in their hearts.

My Son waits for you day by day so that in this new time that is coming, all your hearts may adore and contemplate God through the merciful Rays of Jesus, My Glorified Son. My little ones, today I want to tell you that the world needs the forgiveness of God for all the causes that it generates, causes that hurt Our Hearts, the Heart of Jesus and My Immaculate Heart.

I ask you, who are more conscious of everything, to exercise, as a primordial task, the prayer of the heart so that more Celestial Graces may be able to descend from My Heart of Peace over many of My children in the world.

It is especially up to the part of humanity which is more prayerful, to lovingly intervene before God so that My Heart and the Merciful Heart of My Son may be able to guide and help it in the time that will come to this world.

Open in spirit to My call, you must only place your lives in the Hands of the One and Only God of the Universe so that My Son may guide you again as He did once in this world as a humble Shepherd of Nazareth.

Dear children, may the Light of the Face of the Father reflect in each one of your lives today so that in devotion you may always be in His Restoring Love.

My Maternal Light for all Buenos Aires!

I thank you for everything!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
