DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED BY LAKE GUATAVITA, CUNDINAMARCA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Within places in nature, where silence is expressed, as governor and regent, the most elevated aspects of God establishes contact and, in this way, humanity may find Him in this silence.

Colombia has spaces very similar to the Amazon in which the sacred attributes of the Father manifest. For this to be possible, those spaces are sustained by universal epicenters of cosmic energy where activity is carried out concurrently with the surface.

Colombia has many treasures that will serve in the development of the New Humanity. For this reason, the spiritual cause of its social or political imbalance is to prevent these relics from coming to light and into the knowledge of all.

Colombia must be in the heart of those who, beyond forms and appearances, believe in the emergence of a new period for the planet, in which the treasures of God will awaken the consciousnesses and cause them to face reality and the reason for being here, in this world.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
