DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children:

Despite the difficulty of this time, I can bring innumerable Graces when the hearts respond to My call, as it was this morning.

This alliance of the hearts and prayers help your Celestial Mother so that, with the intervention of the angels of the Universe, the plans of the adversary are defeated.

Therefore, when the hearts unite in prayer for peace in the nations, spontaneously, from the human essences, sincere requests of healing, reparation and forgiveness are manifested for all situations that are unbalanced on this planet

When the responses to the call of the Mother of God are numerous, as it was today, many more uncertain doors are closed, many more souls are rescued and the Mother of God can realize much more in this humanity.

It is thus that, dear children, the sincere responses of each praying heart to the requests, which come from heaven, create in this world unexplainable opportunities for many more essences that should rediscover the path of light and forgiveness.

The alliance of those who pray with the Immaculate Heart of Mary also have repercussions in the inner levels and a New Humanity starts to be built, first within the souls that adhere to the call.

I thank you for responding to my call!

Who blesses you,

Your Mother Mary, Rose of Peace
