DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF FLORIANOPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Novena to the Sacred Thorned Heart of Jesus

Sixth day

Today, My child, remove, from the very depths of My Heart, the thorn of violence and the transgression of human life through abortion.

My Heart feels a very huge weight and an unbearable pain when in hospitals, or in secret places, hundreds of mothers surrender to violence and cruelty through abortion, causing a permanent suffering in the soul that was being gestated, a suffering that it will carry within, for the rest of its spiritual life.

If the mothers, who decide to abort the life they carry, knew the repercussions of the action they are about to commit, perhaps they would previously think of controlling their unbridled temptations, being conscious of and taking responsibility for the new life they could bring to Earth.

Humanity, even from a religious point of view, still believes that the new life that is about to incarnate in the womb of a mother only begins at gestation.

The Creation of God is perfect and, above all, so is the Gift of Life, one of those most transgressed by human beings; this causes extremely grave debts that humanity incurs for violating the Law of Life.

Thus, with great fervor in your heart, offer your prayers to the Heavenly Father so that the inexhaustible Fountain of Mercy from the Heart of God may open and descend like a powerful current over the mothers and over those responsible who, in these times, practice, foster and spread the transgression to the unborn as a method, as a personal pleasure and even for contempt.

May the Heavenly Father hear your supplications and, for the painful sufferings caused by this thorn in My Heart, may Mercy be able to overcome, beyond all errors, and those miserable souls that practice these barbarities be forgiven.

Hold tight, My child, to the Mercy of God and beg, with all the inner power of your heart, that the power of My Grace may act instead of Justice.

Through the petition of your heart, allow that the mothers, who are tempted by My adversary to take the life of the unborn, become aware for a moment and reconsider, in order to protect and respect the new life.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
