DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM PHOENIX, ARIZONA, TO TULSA, OKLAHOMA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

And now that all the principles, attributes and teachings of the Great Indigenous Fraternity of North America were activated in the inner world of some beings, the time has come for all these attributes, principles and teachings to be lovingly shared with the Cherokee consciousness so that this sacred people, that up to today has deviated from its purpose with the arrival of the white man, may recover the whole legacy that, in essence, is the same for all original peoples of North America.

The spiritual Hierarchy hopes to carry forward an inner task so that the Cherokee consciousness may receive a new impulse after the one that was given throughout the visit of the pilgrimage group in 2016.

Now a new opportunity has appeared for the Divine Hierarchy, and all these indigenous souls will again be contemplated by the Eternal Father so that at least their innermost and most essential parts may be assisted, and this will occur through a meeting of confraternity.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
