Daily message of the Virgin Mary, Rose of Peace, transmitted in the city of São Paulo, Brazil, to the visionary Friar Elías del Sagrado Corazón de Jesús

Like the rain that blesses the planet on this day, dear children, I pour out all My Graces, especially upon the causes which are the most impossible to solve.

In this sense, the rain that touches this soil today brings a spiritual blessing for Brazil; because I know, as Patroness of this nation, that this beloved and dear country of Mine is going through, in these end times, the greatest proof of faith in God and in the destiny of all this beloved Brazilian people.

That is why, unconditionally, I am here; because My Divine and Immaculate Spirit is present in every Marian Sanctuary and Center in Brazil, through the presence of the most humble and simple pilgrims.

In all of them, as in the souls who pray the Holy Rosary every day, there is the realization and concretion of My Marian Work in Brazil and in the world.

I ask all of you, My dear Brazilian children, to keep calm, unwavering fervor in your prayers and the blazing fire of inexhaustible hope, so that all your people and your nation, so beloved by My Immaculate Heart, maintain, preserve and demonstrate their charism of faith and union with My Divine and Maternal Heart.

I am with you in this trial, walking beside My children of Brazil, inseparably and perpetually.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
