DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

As long as you believe that you will never manage to surpass or transcend yourself, you will not surpass or transcend yourself, because the way to surrender to the Universe begins with an act of inner resolution.

I know that this surpassing and transcending are not easy for today's human being, but the more love and the more faith you place on each new attempt, you will be able to take small steps toward the full goal of the consecration of your life.

I want you to know that I understand your weaknesses and the tests the Universe places you in. But there is something inside you that has already been built, and it is that which supports you and commits you to continue onward, beyond all difficulties and all tests.

Accept the example of My Life and of My Victory, and let that experience of unconditional love be the spiritual foundation for your life that, again and again, may confirm the victory of My Consciousness within you.

Support yourself in this time of tempest through all the true love that you can feel and express for Me.

I do not want to make you a saint in a few days; I only want you to be able to imitate Me and reflect Me in kindness, in charity and in the strength that the Love that comes from My Heart gives to you, which only elevates and elevates.

Trust that you will achieve.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
