Weekly Message of Mary, Queen of Peace, transmitted in the city of Buenos Aires, Argentina, to the visionary Friar Elias

Dear children of Mine,

Never forget to come to My maternal arms because my purpose as a Mother is to make you sleep close to My Heart, and rest, rest in My mantle of Light, so that I, during the night and in vigil, may pray by your side until the dawn.

Dear children, do not forget to be in My arms because as your protector Mother, I wait for you to surrender your pains, fatigues, tiredness and despairs to me. I know your lives very well, therefore trust and walk by My side so that we may meet Jesus.

Dear children, never forget to be in My arms, because as Mother of Love I want you close to Me, so that you may say all that you feel and know. It is time for you to rest in the Spirit of My Heart thus I will make you walk steady until the end.

I want you to be in My arms because I want to kiss your faces and envelop you with My Celestial Light. Thus, you will rest and will not lose time with anything, because My Heart wants to sustain you, motivate you to continue on the path of good and peace.

My dear ones, be in My arms today so that tomorrow I may show you the path of the great sacrifice of love.

Beloved ones, now that you are already in My arms, tonight I contemplate your efforts. Thus, remain near Me, because in this way nothing will happen to you.

I am with you in joy and in sorrow, in certainty and in error.

I love all of you dearly.

Today I thank you for having responded to My Son. I give thanks to you and Heaven gives thanks to you.

Rest in My Arms. It is time to sleep in the arms of your Celestial Mother. Come on, My dear ones! Onward and with faith!

Mary, Your Mother and Queen of the Peace of the Heart
