**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

Remember with humility that I am the Universal Mother of all your hearts and that I especially share the path with you by means of prayer.

In these times you will find strength and shelter in each one of your lives in the spirit of prayer that will lead you along the correct path to the encounter with My Son, the Redeemer of souls. Because of this, today I invite you to reencounter the Kind Heart of My Son in prayer. In this way you will be able to feel the Mercies that will be poured from His Most Beloved Heart over each one of you.

Dear children, while many souls walk in desperation from the lack of Light and Peace, I call you to conversion through prayer. I need you, as faithful servants to My call, because each moment of prayer can save a soul that is lost.

My little children, the world is in the apex of its own test and the time of human opulence is ending. If souls do not convert themselves by means of My call to peace and to the conversion of the heart, what else will the Heavens be able to do?

God the Father loves you profoundly and contemplates you from the Heights.

Dear children, the world is in an emergency, as the Earth and for the souls that live on it. Therefore, do not waste even a moment of life without being invaded by the fire of prayer. I want to make you recognize the new coming of the Holy Spirit, which will touch some hearts.

Souls need prayer from all of you so that they may have the courage to pray. They need a Divine and sincere Love so that they may trust again. The world also needs prayer so that Mercy may be a reality for all hearts.

Beloved children, I am true with each one of your hearts. This is My last call to the consciousness. God has granted Me the Grace of Faith for all those who may listen to Me. You will be able to feel Me in the depths of your hearts. I will be there.

Thank you for responding to My call. Peace for all. Peace!

Mary, Mother of the Divine Conception of the Trinity
