**Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón**

While My beloved Son was preparing to face the most cruel moment of His sacrifice for humanity, the holy women spiritually entered into seclusion and prayer to accompany their Holy Lord in their heart.

The sufferings and sadness that My beloved Son would face for an ungrateful humanity, would help to uplift it to a level of consciousness it had never reached up to that time.

Jesus came to the world to renew everything and make of this race a rescuable project, in order that the New Christs would awaken, throughout the ages, to continue the Work of the change and redemption of humanity.

My Son came to surrender Himself completely, so that humanity could learn to truly love and be free of expectations and results.

Jesus opened the door of humility to the world through His Sacred Passion. What He experienced in that time allowed other spiritual realities to manifest in this period.

I thank you for responding to My call!

Who loves you,

Your Mother Mary, Rose of Peace
