**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE SAINT JOSEPH SEWING HOUSE WORKSHOP, COMMUNITY OF LIGHT OF FIGUEIRA, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS**

Service ennobles the soul and brings the spirit of charity to the world, which is so scarce amongst everyone. When a heart discovers the love of service, it is fulfilled and finds a safe path for its own consecration.

The second step, after selfless service, under the spirit of charity, is conscious sacrifice in the name of the sufferings of Christ. As simple as what you do may seem, whenever you offer your actions to the reparation of the Heart of Christ, your offers are accepted, and the Sacred Heart is alleviated.

I have consecrated this house to My Chaste Heart so that here you can live simplicity, charity and love amongst all of you. I want to make each serving heart a source of peace for this planet.

Many think it is necessary to perform great works and travel very far so that the service is valid and true, but I tell you that it was in a simple carpenter's shop where I rendered the greatest service of My little Spirit, and there I found holiness and the door to Divinity, which I reached beside My Son.

Holiness in the life of each being does not depend on the external circumstances that you experience, for it depends only on each heart, on the willingness of each one to make their own existence sacred.

If in the service you provide, you offer your actions to God, you will discover many mysteries that will be revealed to you as understandings, sometimes inexplicable, that come from the heart, and that only to the heart will they be clear.

As Father of all servers, I pledge to be present among you whenever you invoke My Presence through prayer, through charity, and through acts of compassion and fraternity.

I pledge to intercede for souls and the Kingdoms of Nature in this prayer room of charity.

I will only ask you to remember Me and that you make this space into a place of joy, charity and unity between humankind and God.

I would like for an image of My Chaste Heart to be at the entrance of this house, consecrating and blessing this place, which will radiate the inspiration of service towards the souls who must approach during these times.

I bless you and I guard you.

Your Father and Friend,

The Most Chaste Saint Joseph
