**Daily Message of Mary, Rose of Peace and Mother of the Calvary, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón**

My children,

On this day when we celebrate the victory of the Heart of Jesus over death and over all error, see how much My Son is doing for you during these holy days.

Preparing for the next Easter of Resurrection, let us continue walking beside the Lord in the profound silence of the soul and the heart, so as to be able to receive the precious Gifts that emanate from His Holy Heart for the world.

In an act of trust and of faith, renew your perpetual adherence to My Son and follow this sacred task of the redemption of humanity.

Appreciating all the mysteries lived by Christ during His Sacred Passion, dear children; adopt a posture of withdrawal and of prayer so that with your souls, you are able to perceive all that My Son is doing for you.

On this path of search for silence, you may be able to find the keys that will open the doors to the divine knowledge of the Love and Wisdom of the beloved Father through His blessed Son.

Christ is pouring out a stream of Light and of Grace upon all creatures.

Receive this call to peace, and through the Passion of My Son, take on forever your own cross for those who turn their backs on the great divine summoning.

I am with you, walking slowly toward Calvary; but before, I will show you the spiritual meaning of the scourging and the crown of thorns.

Let us continue with confidence; the Lord awaits us in vigil.

I thank you for responding to My call!

Walking with all for the Passion,

Your Mother Mary, Rose of Peace and Mother of the Calvary
