DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE TOMINÉ RESERVOIR, GUATAVITA, CUNDINAMARCA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Your defects are not important to Me; what is important to Me is your true and sincere effort. If this does not exist between you and I, it will be difficult for you to love unconditionally.

Therefore, your effort must come first rather than your immediate comfort. In this attitude of effort and of unconditional surrender, you will be demonstrating to Me all the time that you accept My Will and that you inwardly understand My requests and designs.

I will never let you reach the most extreme in your life, because a good Shepherd always takes care of and protects His sheep.

Therefore, dare to look within, to be able to be aware of how much you are still lacking in deepening into your true effort.

I am not akin to the souls that prefer the fast and the quick; each stage has a foreseen timing, each moment has its place within the events.

I know that perhaps this unconditional effort that I need may not emerge immediately within you; I know that you are a human being in redemption; but never forget to be sincere with Me in the smallest detail, because it is in this that the concretization of the Plan moves forward.

This is the moment and the hour for you to perceive that the need of humanity is very great and that the time has come for delegating new responsibilities.

Continue forward.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
