Weekly Message of Christ Jesus, transmitted in the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Friar Elías del Sagrado Corazón de Jesús

And in spite of the world still assaulting Heaven with its destructive ideas and thoughts, which are a result of the manipulation of evil, I will not cease to pour out My Truth and My Mercy over those who clamor for spiritual justice.

Thus, My Voice reverberates in the universe and is heard by hearts that seek the path of prayer.

From all My companions I need a path of faithfulness so great that it may overcome the tricks that the enemy will place at the moment when souls take the great step.

I come in search of those who once heard My Word of Life; I want to build in them new dwellings that can keep the gifts that the enemy does not know at this time.

I wish that all those who follow Me be able to open their hearts a little more to what I ask of them, for the time has come to find the inner strength beyond this world, in the universe of My Christic Love.

Those who are not able to follow My Steps, do not be discouraged; at least, I ask that you look at the impressions of My Footprints so that you do not lose sight of the splendor of My Light and My Return to the heart of all beings. Continue onward without giving up; let your hearts be springs of love and of truth; in this way, you will help Me to lift up a fallen humanity.

Raise your eyes and look at the glorious beauty of My Heart, which burns with Love for you, and without tiring, seeks a refuge where it can rest in peace.

When you dare to take the great leap into the emptiness of self, I can be in you all the time.

Under the Love of God, be blessed.

Thank you for receiving My Heart in you!

The Glorified Christ Jesus
