DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children:

Each day that goes by is an inner opportunity to renew the vows of union and compromise for this new Nativity that is approaching, a moment in which the attention of humanity will be placed absolutely on something external and material and not on something internal and profound.

For this reason, to all those who are more conscious and are within the spiritual path, My children, will be responsible for supporting and sustaining all of the opposite that humanity will do during this month so that at least the Codes of the Divinity of Christ may be present in the majority of the souls on Earth, so that the consciousnesses feel and perceive that it is no longer necessary to submerge themselves in the superfluous life, but to go within the life of the spirit.

This is the time of the great definitions and of great steps.

I invite you, My children, to be builders of the new time for the emergence of a New Humanity.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
