DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED during the journey from Einsiedeln to Geneva, SWITZERLAND, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

May patience never cease within your hearts, and may you never lack peace.

May that patience be unshakable. May that peace build newness within everything, based on what is evolutionarily, eternal and permanent.

Allow inner patience to make you understand and have unforgettable experiences, learnings that will cause you to understand and accept that which the majority usually cannot accept.

Allow patience, which is infinite and unalterable, to turn your consciousnesses into a being free from judgments, and to liberate you from the prisons of the mind so that one day you may see the circumstances of life beyond everything, with a more mature and conscious vision.

Thus, allow patience to open the way within you; allow it to be capable of making your life unalterable, in spite of the tests or challenges.

May patience always cause you to love more, without conditions.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master, Christ Jesus
